

**Sanj K. Patel to Introduce Kiniksa Pharmaceuticals
at 35th Annual J.P. Morgan Healthcare Conference**

Kiniksa Pharmaceuticals formed by previous Synageva management team

December 20, 2016 01:11 PM Eastern Standard Time

Hamilton, Bermuda—(BUSINESS WIRE)—Kiniksa Pharmaceuticals, Ltd., a privately-held biotechnology company focused on developing and delivering therapeutics to patients with devastating diseases and unmet medical needs, announced that Chairman and Chief Executive Officer, Sanj K. Patel, will present at the 35th Annual J.P. Morgan Healthcare Conference in San Francisco, California on Wednesday, January 11, 2017, at 8:30 a.m. PST.

“The management team from Synageva BioPharma Corp. has reassembled, creating a new company with a patient-driven mission to develop and commercialize life-altering therapies for devastating diseases” said Patel. “Our team brings world-class leadership across all functional areas necessary to achieve our goal of building a global generational company.”
